CIEH Level 2 Award in Health & Safety in the Workplace

Duration – 1 day

Certification

CIEH certificate awarded upon successful completion of a multiple choice examination.

Course Overview

This new qualification is designed to ensure that all employees are aware of their own safety and the safety of customers, contractors and the public. It is applicable in any private or public sector environment.

Provides employees with understanding of health and safety principles and enables them to contribute to health and safety management systems. Develops understanding of employers and employees' responsibilities, hazards and risks, importance of procedures and rules and how individual actions can reduce risk.

Course Content

Course syllabus includes:

- Legislation
- Health
- Safety
- Welfare
- The workplace and workplace equipment
- Risk Assessment
- Manual Handling
- Hazardous substances
- Ergonomics and workstation design
- Transport and vehicles
- Noise and vibration

What the course offers

- Nationally recognised and respected certificated delivered by a QTS trainer with experience in a variety of sectors
- No jargon approach with clear scenarios that delegates can relate to
- A range of training tools including CIEH – 'Health & Safety First Principles' course book, PowerPoint and DVD's

Other courses available on request

Courses can be delivered at your premises or at a local training venue – call for details
